

**USER MANUAL
KING LAND HOTEL REGISTRATION MANAGEMENT**

1.0 HomePage

On the home page, guests can click 'Login' to continue to book our rooms. Guests can also view a room, hotel's location and contact us which are all at the navigation bar above.

2.0 Register

A registration form is displayed as a white overlay on a background image of a modern building at dusk. The form is titled "Registration" and contains several input fields: "Name", "Username", "Email", "Phone No.", and "Password". Below these fields is a checkbox labeled "Agree to the terms & conditions". A dark blue "Register" button is positioned below the checkbox. At the bottom of the form, there is a link that says "Already have an account? Login".

6.0 Reservation

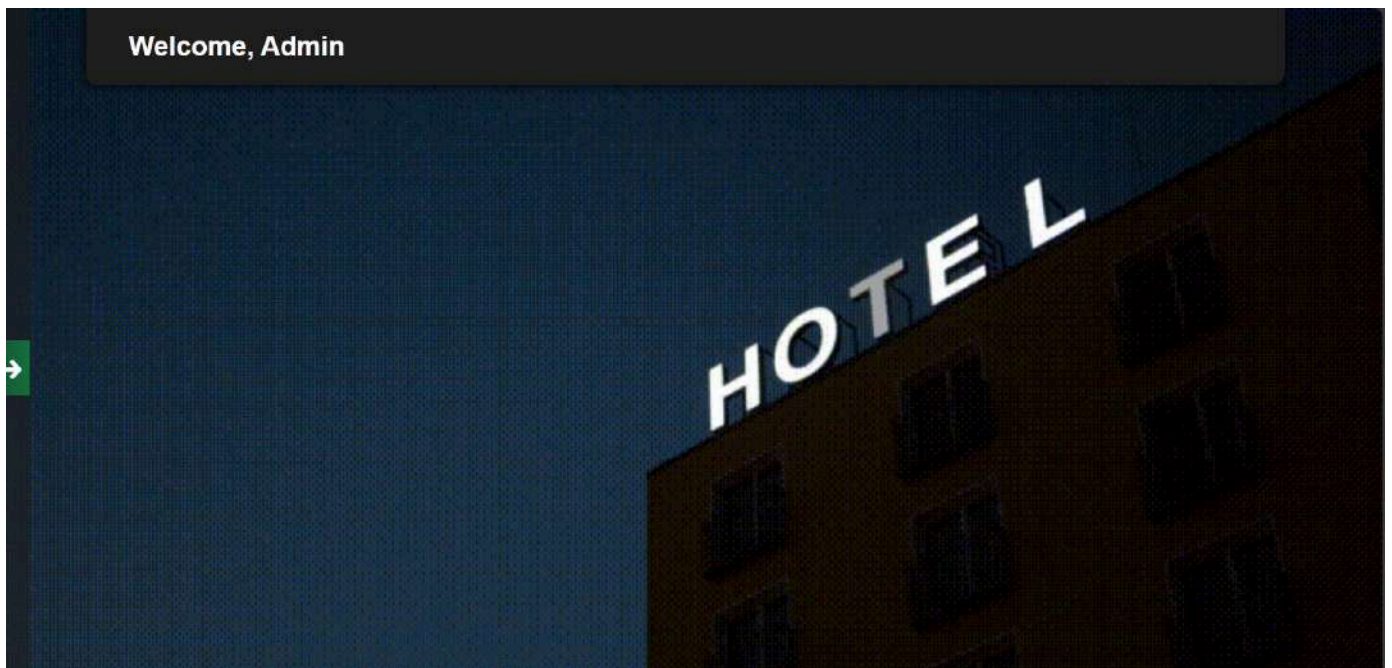

The screenshot shows a web application interface for a hotel reservation. At the top, a dark banner reads "Welcome To Our KING THE LAND Hotel". Below this, a large, semi-transparent white form titled "Reservation Room" is centered over a background image of a modern hotel room. The form contains the following fields and controls:

- Email:** A text input field with the placeholder "Enter your email".
- Check In Date:** A date picker input field with the placeholder "dd/mm/yyyy" and a calendar icon.
- Check Out Date:** A date picker input field with the placeholder "dd/mm/yyyy" and a calendar icon.
- Number of days:** A text input field with the placeholder "Enter no.of days".
- Buttons:** Two buttons at the bottom of the form, labeled "Submit" (in blue) and "Clear" (in orange).

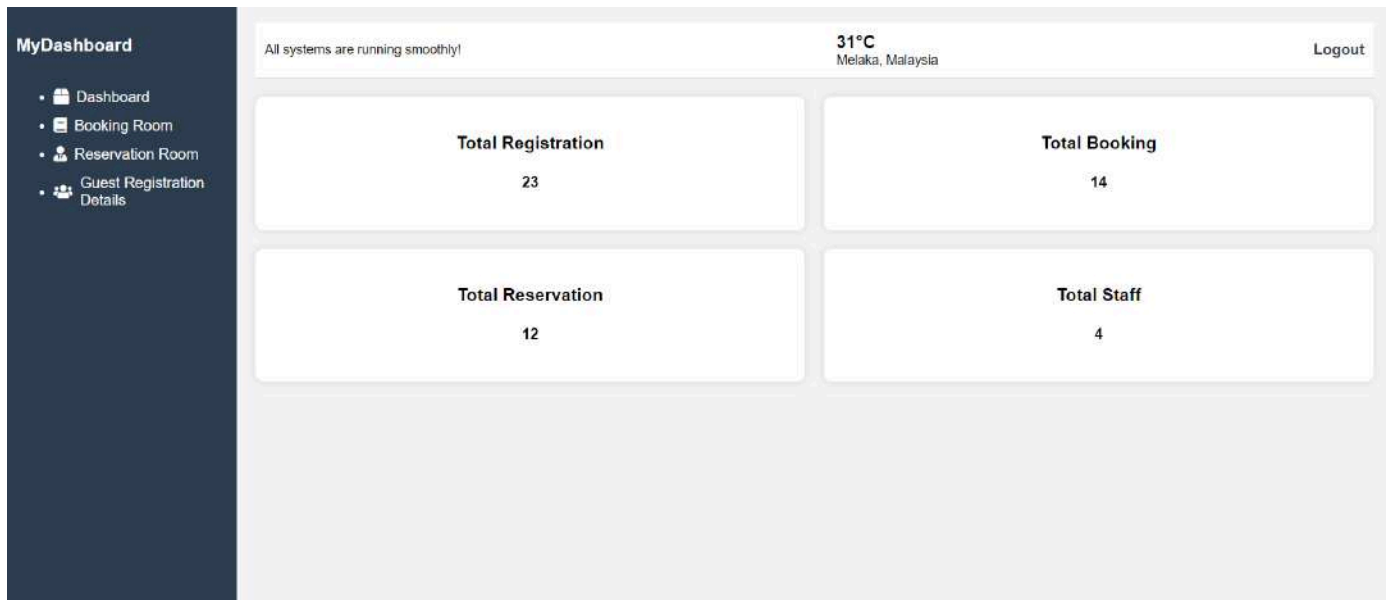

Guests fill in all the details and click submit to reserve a room.

7.0 Admin Page

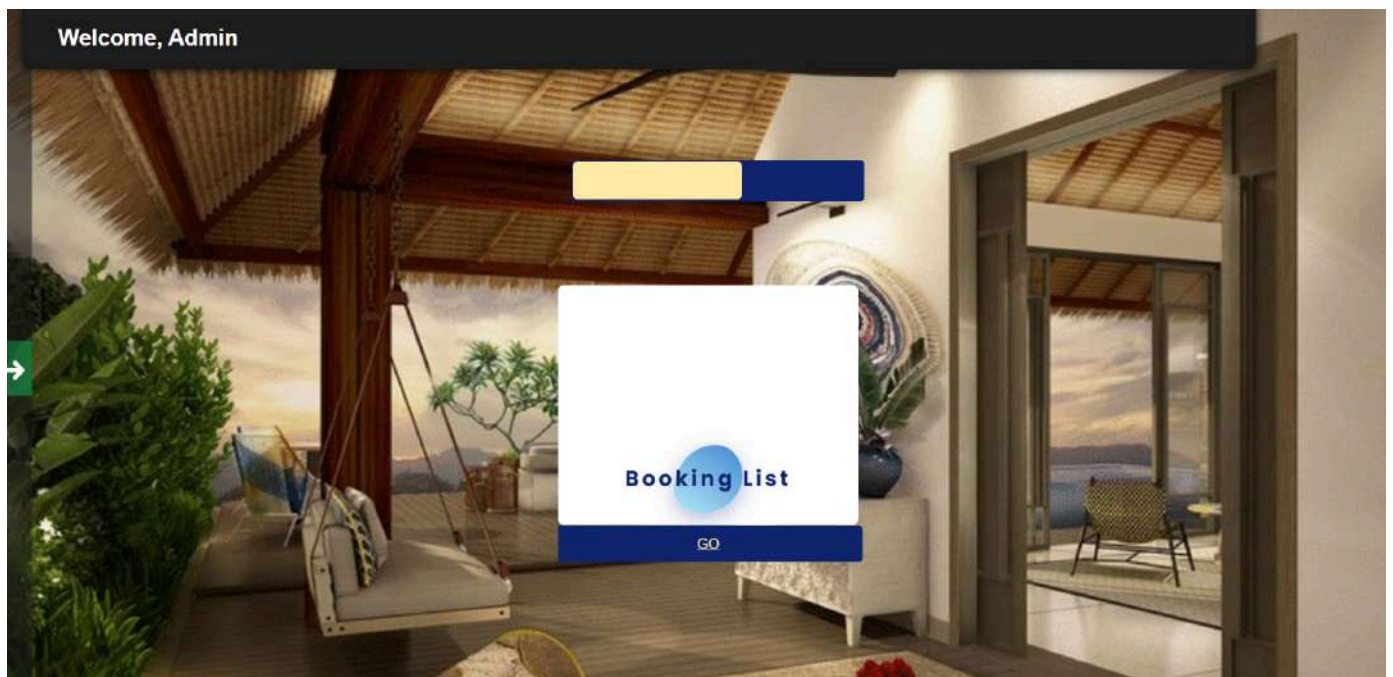

The admin can add a booking room, see the booking list, view, modify, and delete reservation rooms, update personal information, and check a list of guest registration details on the admin page.

8.0 Dashboard

Admin can check the total registration, total booking, total reservation, and total staff. The dashboard allows admin to view the total.

9.0 Booking Room

Admin click the 'Go' button to go to the booking room list page.
